

Title: BSN Prerequisite and Co-requisite Courses	Policy No.: CUR 1.14	Date: 10/4/10 Rev.:
Areas Affected: All BSMCON Faculty & Students		Page 1 of 5

The curriculum is designed to fulfill the mission, vision and philosophy of the Bon Secours Memorial College of Nursing. The Bachelor of Science in nursing (BSN) program delivers progressive, sequential course work that consists of 124 college credits.

**Course Prerequisites and Co-requisites**

Nursing and selected non-nursing courses have prerequisites that must be successfully completed prior to enrollment in these courses. All nursing courses must be taken according to the time frame designated in the curriculum plan.

Upon application and registration, prerequisite and co-requisite courses must be fulfilled or a plan approved to complete all prerequisites. Prerequisite or co-requisite equivalencies may be approved by the Bon Secours Memorial College of Nursing.

The required BSMCON courses having prerequisites are as outlined in the following table:
