

Readmission Personal Letter

Readmissions applicants please follow the instructions below for the personal letter requirement.

Bon Secours Memorial College of Nursing (BSMCON)

Name: _____ Email: _____

The purpose of an academic recovery plan is to create a student driven action plan that helps the student become aware of all resources available and maintain an ongoing commitment to academic success. We strongly encourage readmission applicants to meet with a member of The Office of Student Success prior to submitting your readmission application.

Readmission Applicants are asked to submit a personal letter consisting of:

- Factors contributing to your lack of success in the program
- Motivation for continuing to pursue a nursing degree
- A list of all support resource services used prior to leaving BSMCON.
- Academic success plan using the questions below.
 - List your goals to be successful in completing the nursing program?
 - What might get in the way of achieving those goals?
 - What resources do you need to accomplish those goals?
 - What actions will you take to accomplish those goals?
