Memorial College of Nursing

FACT BOOK

2017 | 2018

OUR MISSION

The mission of the Bon Secours Memorial College of Nursing is to foster holistic lifelong learning through innovative career education designed to cultivate servant leaders who are passionate about bringing people and communities to health and wholeness.

VISION We will be the College of choice for those who consider caring to be a calling and a ministry inclusive of the needs of all people.

OUR VALUES

As a higher education institution, we commit that our mission, vision, and strategic direction are framed within these value statements:

COMPASSION

Intentional engagement in caring practices that embodies a culture of respect, integrity, and justice.

QUALITY

Commitment to educational excellence that promotes lifelong intellectual, ethical, and spiritual growth.

SERVICE

Cultivation of an attentive spirit that seeks to empower others in the co-creation of a just and caring world.

GOALS

CARING

Provide a framework for positively impacting society through culturally sensitive service to the global community.

LEARNING

Foster an environment designed to engage the learner in the development of a critical and creative consciousness.

TRANSFORMING

Liberate the potential of the College community by expanding individual and collective capabilities with respect to knowledge, discernment, and growth.

The College's rich history dates back to the formation of Richmond Memorial Hospital in 1957. The hospital was built to memorialize the Richmond community's World War II victims and to provide a general hospital that served people of all races and backgrounds, regardless of their ability to pay. Richmond Memorial Hospital's School of Nursing opened in 1961 to serve as a source of nurses for the hospital and to raise the level of health care in the community. In 1993, a replacement hospital for Richmond Memorial was planned in collaboration with Bon Secours. The new hospital, Bon Secours Memorial Regional Medical Center, opened in 1998. The school was renamed the Bon Secours Memorial School of Nursing.

The College graduated the last diploma class in May 2012. During its 51 years of operation, the diploma program produced more than 2,000 registered nurses who have delivered exceptional health care to their patients as a result of the excellent educational foundation they received. In response to the need to prepare registered nurses at the baccalaureate level of education, the school officially changed its status to a baccalaureate degree-granting college in 2010.

OUR HISTORY

DEVELOPMENT

Firmly rooted in this tradition of excellence, the College offers a Bachelor of Science in Nursing (BSN) program with both pre-licensure and post-licensure (RN-BSN) tracks. The BSN program includes the essential curricular content recommended by the American Association of Colleges of Nursing. The College is dedicated to facilitating a view and practice of health care as a ministry that anticipates the need to adapt to the ever-changing and demanding health care environment in order for our graduates to provide the highest quality care.

Bon Secours Health System is a Catholic, not-for-profit, community-based health care system whose mission is to provide “good help to those in need”. The Sisters of Bon Secours (French for “good help”), an international religious congregation devoted to the care of the poor and sick, was founded in Paris, France in 1824. In the United States, the congregation’s health care ministries, which are operated by the Bon Secours Health System, Inc., include acute care hospitals, long-term care facilities, clinics, physicians’ practices, home health care services, and hospices.

OUR DEGREE PROGRAMS

Bon Secours Memorial College of Nursing exists for the sole purpose of providing collegiate nursing education. It offers a single program leading to the Bachelor of Science in Nursing degree. This program is delivered via two separate tracks: pre-licensure and post-licensure (RN-BSN).

Bon Secours Memorial College of Nursing
Richmond, Virginia

LOCATION

The College's main campus site is located at 8550 Magellan Parkway, Richmond, VA, 23227. An additional classroom and clinical simulation facility is located at 7900 Shrader Road, Richmond, VA, 23294. The course work for the program is delivered both on-ground and online. The College does not operate any telecommunication sites.

CONTROLLING OWNERSHIP

The Bon Secours Richmond Health System Board is a combined board that governs and has oversight (either directly or indirectly) for the activities of Bon Secours Richmond Health System, as well as its five acute care hospitals, ambulatory facilities and Bon Secours Richmond Medical Group. The College of Nursing is a division of Bon Secours - Memorial Regional Medical Center, which is one of the hospitals in the Richmond Health System.

ABOUT THE FACT BOOK

The fact book is a reference resource that is generated annually each summer in an effort to provide BSMCON's stakeholders with relevant institutional data. Although the information contained herein was compiled by the Office of Institutional Effectiveness, several other BSMCON units/offices/committees contributed to

this 2017-2018 edition, including the Office of Student Services, the Administrative Cabinet, the Institutional Effectiveness Committee, and the Nursing Program Improvement Committee. The data reflected in this fact book are accurate as of the BSMCON Summer 2017 Census (June 2017).
