

HeartCode BLS Certification Process

Step 1 – Purchase the BLS HeartCode module from the American Heart Association website

- i. Visit this link: <https://elearning.heart.org/>
- ii. Click the chevron arrow next to “Courses” and select “Basic Life Support (BLS)”

- iii. Click “purchase” on the “HeartCode BLS Online” package. On the next page, select “add to cart”

- iv. Log in/create an account to check out

Step 2 – After you complete the online module portion, print your course completion certificate – you will need to take it with you to your skills check.

Step 3 – Schedule your skills check portion.

- i. Visit
https://paymentsafe.experianhealth.com/_members/financial/ecashiering/Hosting/MercyProBilling/default.aspx
- ii. Select the “BLS Skill Check Only” option under “Class Name.”

Online Class Registration

Class Name	Units	Unit Cost	Class Number	Payment Amount
<input type="text" value="BLS Skill Check Only"/>	<input type="text" value="1"/>	<input type="text" value="\$25.00"/>	<input type="text" value="2404381201-2"/>	<input type="text" value="25.00"/>
				25.00

- iii. Click “Submit” once you’ve added the skills check to your cart
- iv. Put in your card information and click “submit payment”

Step 4 – After you have purchased the skills check, email the HeartCode Mailbox:

BSHSI-HeartCode@bshsi.org to schedule an in-person skills check with an instructor, or call 804-627-5447.
