2. Log into the library using the library name BSMCON. No password is needed. Click Login and reach the home screen below:

The screenshot displays the BSMCON library catalog home screen. On the left, a navigation menu includes 'Home', 'Search', 'Browse', 'Advanced', 'Simple', and 'Clipboard'. The main content area features a search bar with a dropdown menu set to 'All Words', a search input field, a 'Sort' dropdown menu set to 'Relevance', and 'Search' and 'Clear' buttons. Below the search bar is a large illustration of a library interior with people and bookshelves. Underneath the illustration are two empty input fields labeled 'Resources:' and 'Return to:'. At the bottom of the page, a copyright notice reads '© Copyright LibraryWorld, Inc. All Rights Reserved'.

3. Click on the dropdown box that says All Words, to choose how you want to search for a book – by ISBN, Title, etc.
