The RN-BSN program is an online post-licensure program for the registered nurse who has a valid, unencumbered license to practice nursing in the United States.

The program consists of a total of 120 credits and is designed to meet the needs of a working professional.

Our flexible curriculum options are tailored to students' busy lives. Students can complete the program as a part-time or full-time student, taking courses at their pace, and on their schedule.

Bon Secours Memorial College of Nursing enrolls RN-BSN students three times a year.
