The RN-BSN program is an online post-licensure program for the registered nurse who has a valid, unencumbered license to practice nursing in the United States. The program consists of 120 credits. We offer part-time or full-time enrollment with flexible scheduling. Once completed, a Bachelor of Science in Nursing degree is awarded.

The general education requirements include:

46 credits of general education courses prior to entry

For applicants with bachelor's degree in unrelated field:

- Human Growth & Development (3 cr.)
- Microbiology (4 cr.)
- Anatomy & Physiology I & II (6-8 cr.)
- Statistics (3 cr.)

The remainder of the program consists of:

- **41 credits** of prior learning as a registered nurse, which you will be granted upon completion of NUR 3209
- **33 credits** of online nursing education courses and general education courses taken with BSMCON

For applicants with RN licensure only:

46 credits of general education courses prior to entry

Introduction to Psychology (Principles of Psychology or General Psychology)

Developmental Psychology (Life Span Development)

Microbiology (we will accept BIO 150)

English I

English II

Anatomy & Physiology I

Anatomy & Physiology II

Statistics

Elective: 3 or more credits from Cluster 1

Elective: 3 or more credits from Cluster 2

Elective: 3 or more credits from Cluster 4

Plus additional credits to equal 46 prerequisite credits (from any cluster)

Cluster information can be found at bsmcon.edu under RN-BSN, general education requirements.
