

Satisfactory Academic Progress

Appeal Form For Federal Financial Aid Eligibility Instructions

A student who is ineligible for federal financial aid due to not meeting Satisfactory Academic Progress (Policy: ADM 3.2) requirements may appeal his/her ineligibility. Some examples of reasons for such a request may include, but are not limited to:

1. Serious illness (physical or mental) for which the student needed to withdraw from all classes in order to recover, or remained enrolled at the university and did poorly in his/her classes.
2. Death or serious illness or injury to an immediate family member.
3. An injury to the student which prevents the student from attending classes and completing academic requirements.

Appeal Procedures

A written letter of appeal must be submitted by the student to the Director of Financial Aid for review.

1. The appeal should explain in detail the reason(s) for not meeting the standards for academic progress.
2. The step(s) the student plans to take to correct his/her academic progress deficiencies.
3. List in detail any extenuating circumstance(s) of which we should be aware.
4. Appeals must be submitted and approved prior to the end of the semester for which the student is appealing to receive financial aid.
5. The student will be provided written notification of the decision of the Satisfactory Academic Progress Appeal from the Director of Financial Aid.

Supporting Documentation

1. It may be necessary for the student to provide written documentation from his/her health care provider(s). If so, the documentation should be on clinic letterhead, with a description of the diagnosed medical or psychological condition, and indicating when treatment began. If applicable, it should also explain how the condition prevented the student from meeting the requirements of the Satisfactory Academic Progress policy.
2. The approval of the financial aid appeal may be contingent upon the student meeting with the Director of Student Success to develop an "Academic Plan" to re-establish SAP, the student will have ten (10) working days from being notified of require action, to submit a copy of the "Academic Plan" to the Director of Financial Aid. Failure to submit "Academic Plan" to the Director of Financial Aid will result in the student not being eligible for financial aid until SAP standards are met. The student may not appeal this decision.
3. Submit all materials as a single packet to the Director of Financial Aid. Any missing information will delay consideration of the student's request.
