

### Title IV Credit Balance Authorization Form

The Higher Education Act of 1965, as amended ("Federal Regulations"), requires that Title IV funds are to be used to pay for authorized charges in the form of tuition and fees as assessed by Bon Secours Memorial College of Nursing ("BSMCON") or Bon Secours St. Mary's School of Medical Imaging ("SOMI"). Title IV funds include: Federal Pell Grants, Federal Supplemental Educational Opportunity Grants ("FSEOG"), Federal Direct Subsidized Loans, Federal Direct Unsubsidized Loans and Federal Direct Parent PLUS Loans.

As required by Federal Regulations, any Title IV funds disbursed to the student in excess of these charges must be refunded to the student within 14 days of the disbursement date to the student's account. Title IV credit balances as a result of Federal Direct Parent PLUS Loans will be disbursed to the parent, if the parent is the borrower, within 14 days (unless otherwise noted below).

Federal Regulations governing how Title IV funds are processed (34 CFR 668.165(b)) allows for students or parents to voluntarily authorize BSMCON or SOMI to administer Title IV credit balances in various ways. Students can authorize BSMCON or SOMI to retain a Title IV credit balance on their behalf to be applied to future semesters within the current academic year. Parents who have borrowed under the Federal Direct Parent PLUS Loan program on the student's behalf can authorize BSMCON or SOMI to retain a Title IV credit balance on the behalf of the student to be applied to future semesters within the current academic year and/or disburse any applicable Title IV credit balance to the student. Any such authorization or revocation of an authorization takes effect as of the date indicated on this form.

To exercise one or more of these authorizations, please complete and submit this form to the Bursar's Office at [bsr-bursar@bshsi.org](mailto:bsr-bursar@bshsi.org).
