

Verification: Conflicting Data

Confirmation of Marital Status (for Independent students only)

The Financial Aid Office (FAO) is required to resolve conflicting information included in the student's FAFSA records in accordance with ADM 4.03 Federal Financial Aid Verification & Conflicting Data Policy. The FAO has identified that the marital status indicated on the FAFSA does not match the marital status contained in the corresponding tax documents. This form is required to be completed and submitted to the FAO to ensure that this conflicting information is resolved prior to any award of Federal Financial Aid Funds (i.e. Title IV Funds). Please confirm marital status as of the date that the FAFSA was initially completed and submitted to the U.S. Department of Education.
