 I was called to active duty or for qualifying National Guard duty during a war or other military operation or national emergency. I certify that I have not filed an income tax return or a request for a filing extension because of that service. I was required to file an amended IRS income tax return for tax year 2017**Please provide:**

- A 2017 IRS Tax Return Transcript (that will only include information from the original return and does not have to be signed), or any other IRS tax transcript(s) that includes all of the income and tax information required to be verified; or acceptable IRS alternative, such as a Return Transcript for Taxpayer (RTFTP) **AND**

I was a victim of IRS Identity Theft and have been unable to obtain a 2017 IRS Tax Return Transcript or use the IRS DRT.

- Call the IRS Identity Protection Specialized Unit (IPSU) toll-free number at 800-908-4490. Ask IPSU to mail an “alternate paper tax return transcript” also known as TRDBV (Transcript DataBase View). Make a copy of the “alternative paper tax return transcript,” write your full name and Student ID number at the top of the first page, and submit to Financial Aid office; **AND**
- Write, sign, and date a statement indicating that you were a victim of IRS tax-related identify theft and that the IRS has been made aware of the tax-related identify theft. Make certain that your name and ID are on the statement and that your signature is a handwritten signature. Attach to this form and return to the Financial Aid office.

I filed, or will file, a Puerto Rican or Foreign tax return for 2017.

Please provide an English translation of the following:

- If you filed an income tax return with Guam, the Commonwealth of the Northern Mariana Islands, the Commonwealth of Puerto Rico, or the U.S. Virgin Islands: You may provide a signed copy of the income tax return. However, if we question the accuracy of the information on the signed copy of the income tax return, the tax filer must provide us with a copy of the tax account information before verification can be completed.
- If you filed an income tax return with the tax authority for American Samoa, you must provide a copy of your tax account information.
- If you filed an income tax return with tax authorities not mentioned above but are unable to obtain the tax account information free of charge, you must provide documentation that the tax authority charges a fee to obtain that information, along with a signed copy of your income tax return.

I was not required to file a 2017 Individual Income Tax Return.

Please note a dependent student who is a nontax filer is excluded from the verification requirement to provide confirmation of the dependent student's non-filing status from the IRS or other relevant tax authority. For independent students, and parents of dependent students:
