

Technology Requirements - Set B

Last Updated 4/26/23

General Requirements

- All students are required to own a working laptop.
- All students must have access to reliable, high-speed Internet.
- All students should have basic proficiency with Internet and Microsoft Office usage.
- Optional: We recommend students have access to a printer at home.

Laptop Specifics

Laptops should adhere to the requirements below. Students may (optionally) purchase a laptop from the College ([link](#)) which meets (and exceeds) these requirements.

Some great laptops: Dell [XPS 13](#), Apple [MacBook Air 13](#), Asus [Zenbook 14 OLED](#))
