I. Policy

II. Purpose

The appeals policy described below is applicable to academic student grievances.

III. Scope

This policy applies to all students and faculty at Bon Secours Memorial College of Nursing (BSMCON).

IV. Definitions

Academic grievance: a formal process through which a student can appeal through his/her course instructor and the college's administrative leadership the student's final grade in a course. A final course grade appeal must be based on at least one of the following claims:

- Capricious action on the part of the faculty member that affects the student's final grade; A capricious action is defined as one made on a whim or without justifiable reasons.
- Prejudicial treatment of the student by the faculty member with respect to the application of the course syllabus, thereby affecting the student's final grade; Prejudicial treatment is defined as treating the student lodging the final grade appeal differently than other students in the course with respect to the instructor's application of the course syllabus.
- Erroneous judgment of the faculty with regard to the correct answer for exam item(s). A claim of erroneous judgment means that the student is able to produce evidence (from textbooks, class notes provided directly

from the faculty, or other valid materials) to substantiate that a different answer other than that keyed is a correct response.

- A documented error in calculating the student’s final grade.
- Extenuating circumstance(s) that significantly impacted the student’s performance and grade in a course.

Student: any person who is officially registered at the College during the specific academic semester or term in which the grievance occurs.
