General Education Courses Prior to Enrollment
The College will accept transfer credits provided:
 - The credits were earned at institutions accredited by agencies recognized by the United States Department of Education
 - Official transcripts are received in envelopes sealed by the issuing institution
 - Course content and credit was substantially similar to the required College course;

- A grade of “C” or above was achieved
- Courses other than those listed in the curriculum may be approved for transfer credit by the Provost
- Only courses taken while enrolled at the College are included in a student’s GPA

Dual enrollment courses that meet the above criteria are accepted. An official transcript from the college that awarded the dual enrollment credit must be provided.

No transfer credit will be awarded for the following:

- Experiential learning or life experiences
- BSMCON required upper level general education courses
- Nursing courses
- Pathopharmacology courses

Credit through Examination

Transfer credit may be awarded for successfully completed College Level Examination Program (CLEP), Advanced Placement (AP), and International Baccalaureate (IB) examinations that cover material that is part of the College curriculum. Students may receive transfer credit for CLEP exams while enrolled. Post-licensure students may receive transfer credit for National League for Nursing (NLN) proficiency testing.

Specific information on acceptable exams and scores is on the College website. Additional information about NLN exams is available through the Admissions Office.

International Credit

Credit from international post-secondary institutions may be awarded for applicable required courses. The applicant must send official transcripts to an approved agency to obtain a course by course evaluation. All fees for such service must be paid by the applicant. The agencies must be recognized by the U.S. Department of Education or the Council for Higher Education Accreditation (CHEA). Official evaluations must be sent directly to the College. The College requires that any non-U.S. transcript or documentation issued be evaluated formally by a National Association of Credential Evaluation Services (NACES) agency. A list of NACES approved international transcript evaluation agencies can be found at www.naces.org.
