
Policy Name:	Catastrophic Events and Continuity of Operations
Policy Number:	ADM 9.13
Title of Policy Owner:	Dean of Administration
Approved by:	Policy Committee/Administrative Cabinet
Effective Date:	02/01/2021
Version:	1.0
Policy Status:	Approved

I. Policy

Emergency planning, including continuity of operations planning, is a critical function for Bon Secours Memorial College of Nursing (BSMCON). BSMCON will mitigate the impact of operational disruptions to its campus community by implementing policies, procedures, and capabilities that provide continuity of operations in case of a catastrophic event.

II. Purpose

To provide guidance for a safe and efficient response to disruptive events that impact BSMCON's faculty, staff, and students.

III. Scope

This policy applies to all BSMCON students, faculty, and staff.

IV. Definitions

None

V. Policy Details

Catastrophic Events and Continuity of Operations

BSMCON uses specific policies and procedures regarding catastrophic events and program discontinuances in order to limit the length of time that students are displaced.

Continuity of Operations

By leveraging highly available educational technologies such as the Learning Management System (LMS – Blackboard) and the Student Information System (SIS – Campus Nexus) which are hosted in the “cloud”, the likelihood of noticeable service interruption is minimized. This is achieved by ensuring third parties providing such services adhere to Bon

Secours Mercy Health’s policy CP-PO-12.0-R1.0 which requires them to, “ensure the continued availability of identified services and information systems through the development of Disaster Recovery Plans and Business Continuity Plans.”

The following BSMCON’s policies (available at <https://www.bsmcon.edu/policies>) and procedures are also intended to help mitigate the impact of emergency events on College operations:

- ADM 1.04 Records Management: provides guidance for ensuring the integrity, confidentiality, and security of all documents and records created, received or maintained in the course of institutional business.
- ADM 5.01 Financial Refund: provides guidance for ensuring that financial refunds are processed timely and consistently and in accordance with BSMCON policy, and applicable federal, state and accreditation requirements. In the event that a catastrophic event occurs, BSMCON’s Administrative Cabinet maintains the authority to enact additional financial refunds to students that are deemed appropriate during such circumstances.
- ADM 9.10 Campus Safety and Security: provides guidance for preventing or minimizing threats while also preparing to effectively handle any emergencies that may occur.
- Emergency Management and Evacuation Procedures (EMEP): provides detailed emergency instructions for BSMCON associates, students, and visitors to ensure safety and protection of property during fire, severe weather, loss of utilities, acts of God, and other such emergencies. This document is available on BSMCON’s Microsoft Teams site and upon request.

Program Discontinuances

BSMCON has the financial commitment of its parent health system – Bon Secours Mercy Health (BSMH). In the unlikely event that BSMCON cannot deliver the instruction for which students have contracted, BSMCON commits to one or more of the following courses of action, depending on each individual student’s needs:

- Providing a reasonable alternative for delivering instruction and/or services for which students have paid
- Providing reasonable financial refund for the education students did not receive
- Providing assistance for transferring earned credits to other institutions

BSMCON students will be notified in person by College administration and then counseled about their options by their advisors. In accordance with 602.24(c) of federal requirements for catastrophic events, a teach-out plan will be submitted to the Accrediting Bureau of Health Education Schools (ABHES) prior to its implementation.
