About this Report

In compliance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the Bon Secours Memorial College of Nursing (BSMCON) publishes the Annual Security Report to promote the safety and security of all its stakeholders, particularly its students, employees, and visitors. This report includes a list of crime statistics that BSMCON is required to report under federal law. It also includes information about the availability of the report, crime definitions, procedure for reporting crimes and emergencies, campus security authorities, timely warnings, emergency response, campus access, drug and substance abuse, security awareness and crime prevention programs, sexual misconduct, means for obtaining registered sex offender information, and crime statistics for the past three years. This report is prepared by the Dean of Administration in collaboration with members of BSMCON's Administrative Cabinet; Campus Security; the Title IX Coordinator; the Administrative Director for Safety, Security, and Disaster Preparedness; and the Henrico County Police Department (HCPD).

Clery Act Geography and Availability of the Annual Security Report

The annual security report is published annually by October 1 through the BSMCON's website and includes Clery crime statistics within the College's Clery Act geography for the past 3 years. BSMCON's Clery Act geography is broken down into three parts: on-campus, public property, and non-campus buildings or property. BSMCON has only one campus located at 8550 Magellan Parkway, Suite 1100, Richmond, VA 23227. "On campus" includes all physical property owned or controlled by BSMCON which is contiguous to this address. All sidewalks and streets adjacent to the above BSMCON campus location make up its public property geography. The property located at 7900 Shrader Road, Suite 200, Richmond, VA 23294, which is used as additional classroom and skills lab space for BSMCON students, is the main non-campus property as defined by the Clery Act.

The annual security report is made available to all current students and employees. All enrolled students, prospective students, and employees are notified of its existence and afforded an opportunity not only to access it through the College's website, but also to request a copy as well. Paper and electronic copies are available upon request through the Dean of Administration. Notifications are made annually to students and employees via email.

Procedure for Reporting a Crime or Emergency

BSMCON encourages all crime victims to promptly report any incident to the Dean of Administration or any College official (as defined in the policy ADM 9.02 Voluntary Reporting). In the event such victims are unable to make a report, witnesses are encouraged to make a report on behalf of the victim. All crimes should be reported by calling the Henrico County Police Department at (804) 501-5000 or by logging onto the College's website at https://www.bsmcon.edu/report-crime for an anonymous report.

Students at clinical sites or other College-sponsored events – who are crime victims or witnesses - are encouraged to contact the local police department but also to make the College aware of the incident by contacting one of the campus security authorities.

Campus Security Authorities

BSMCON's campus security authorities are made up of the individuals listed in the policy ADM 9.02 Voluntary Reporting, which like all other College policies, may be accessed on the BSMCON's policies webpage available at https://www.bsmcon.edu/college-catalog-policies. The College contracts with the Henrico County Police Department to provide off-duty police coverage for morning and evening security.

Timely Warnings

The BSMCON policy ADM 9.01 Emergency Notifications, Timely Warning, and Crime Reporting defines the process used by the campus for timely warnings, which are administered through Campus Nexus for students and Everbridge for employees. In the case of an emergency, all employees and students who have signed up for emergency notifications through the Everbridge system and Campus Nexus Portal, respectively, will be sent a message (via text, email, or voice) to their preferred emergency contact methods. The message will state the emergency as well as any actions to be taken.

At the beginning of each Fall and Spring semester, students and employees are asked to log onto the Campus Nexus Portal and Everbridge system, respectively, to verify their emergency contact information and update it if necessary. During this process, they are also allowed to choose their preferred emergency contact methods.

Emergency Response

The Dean of Administration administers the College's mass emergency notification systems. In the event of an emergency, Everbridge is used to notify staff while Campus Nexus is used to

alert students. In the absence of the Dean of Administration, emergency notifications are administered by the Associate Dean of Student Services. As described above, students and employees can register to receive notifications of emergency events. These notifications are only transmitted during emergencies and are an additional avenue of communication. In consultation with available Administrative Cabinet and campus security authorities, the Dean of Administration or their designees will make the decision of whether to issue a timely campus safety/crime warning or emergency notification on a case-by-case basis, considering the facts surrounding the incident, nature of the incident, continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.

BSMCON will test evacuation operations annually. Tests, drills and exercises are conducted through fire alarm activations, safety related drills and exercises. These events provide an opportunity to combine the services of the campus community with police, fire and emergency services personnel.

A Safety Manual is developed, maintained, and revised annually by the campus security authorities to address safety concerns at the College, including emergency responses and evacuation plans. The College website houses a College Safety page maintained by the Dean of Administration and available at https://www.bsmcon.edu/campus-safety-and-security. Additional information specific to students is also contained in a College Catalog, which is revised annually.

The College encourages all students, faculty, staff and visitors to take an active role in their own safety and security while on campus. Following the below guidelines can help maintain a safe environment for everyone at the College:

- Walk in well-lighted and well-traveled areas after dark and if possible walk with a friend.
- Immediately report all suspicious persons, vehicles, or activities to 9-911 on house telephone.
- Keep informed. Check campus email for alert notices which pertain to specific security conditions on campus.
- Take advantage of informational and crime prevention programs sponsored on campus.
- Lock car and secure valuables when using campus parking facilities.
- Become familiar with emergency exits and the locations of fire alarms and fire extinguishers.
- Lock offices when not present.

Campus Access

During normal business hours (7:00am-5:00pm), students are able to access the building through multiple access points using a security key badge. This key badge is swiped at each access point for entrance. On weekends and after 5:00pm on business days, students are required to enter through the main entrance for safety purposes. Faculty and staff are required to use security key badges to access the College during building hours. Faculty, staff and students who forget their key badge are required to enter through the main entrance and sign in. All visitors to the campus are required to enter through the main entrance and sign in. Visitors are required to wear a visitor badge while on campus for identification purposes.

All building hours for the main campus are as follows:

Monday	7:00am – 8:00pm
Tuesday	7:00am – 8:00pm
Wednesday	7:00am – 8:00pm
Thursday	7:00am – 8:00pm
Friday	7:00am – 5:00pm
Saturday	Closed
Sunday	12:00pm – 8:00pm

The only non-campus building located at 7900 Shrader Road, Henrico VA 23294 is housed on the 2nd floor of the building. The main entrance to the building is on the front side on the first floor and has doors with an automatic locking system. These doors are automatically unlocked at 7:00am and locked back at 7:00pm Monday through Friday. If there is a need to unlock for evening or weekend programs, we can do so by notifying the property management company. Once building access is obtained, there are both stairs and an elevator to the second floor which open into a small vestibule. There is another locked door with key pad entry. The front wall is glass so there is easy visibility to both the stairs and the elevator. Inside the main entrance to the 2nd floor suite is a reception desk that is manned from 7:30am-4pm Monday-Friday. Additional personnel may be utilized for the reception desk for evening or weekend programs. The main door to the 2nd floor suite is to remain closed at all times and there is a buzzer to allow entry into the suite.

Drug and Substance Abuse

The College strives to maintain an environment that promotes the health and safety of the community and the responsible choices and behaviors of its students by assuring that a drug-free workplace is maintained and that students are unimpaired by the effects of drugs or alcohol. The College has established the Drug and Substance Abuse policy (ADM 3.02) in compliance with this commitment to the federal Drug-Free Workplace Act of 1988 (US Code Title 41, Chapter 10, Section 701) and the Drug-Free Schools and Communities Act of 1989. The full policy may be found on the BSMCON's policies webpage available at https://www.bsmcon.edu/college-catalog-policies.

Accepted students must successfully complete a drug screening to fulfill admission requirements. Positive results on admission drug screening will result in the student's immediate dismissal from the College. Students who are dismissed for this reason may not reapply until at least 6 months later. Reapplication is not a guarantee of readmission.

Due to the nature of nursing as a practice profession with responsibility for the care of human beings, it is expected that students will be in a condition fit for the competent and safe performance of their duties and that such a fit condition will be maintained throughout scheduled time to ensure safe, competent patient care. Faculty and staff of the College are held accountable for ensuring that students are fit for duty and for taking prompt, appropriate, and decisive action whenever a student appears to be impaired.

Upon notification to the Dean of Nursing or designee, students who are suspected of substance or alcohol abuse while enrolled in the program, either on or off campus while engaged in student activities, will be required to immediately submit to drug and alcohol testing through a contracted drug testing company. The student will be required to pay for testing. Refusal to undergo testing will result in dismissal from the program. Positive results on the drug test will result in the student's dismissal from the College. Any student who violates the ADM 3.21 Student Rights and Responsibilities as it relates to alcohol and drug use is subject to sanctions as listed in the policy.

The College cooperates fully with law enforcement authorities. Violations of this drug and alcohol policy and/or ADM 3.21 Student Rights and Responsibilities that are also violations of federal and local law may be referred to the appropriate agencies. In such situations, cases may proceed concurrently in the College disciplinary system and in the criminal justice system.

The REACH Student Assistance Program can provide confidential consultation and referral to students with problems or concerns related to alcohol and/or drug use. Students can contact REACH by dialing (800) 950-3434 or emailing at info@reach-eap.com. The Office of Student Success provides resources to BSMCON students through REACH EAP.

Security Awareness and Crime Prevention Programs

The College of Nursing provides "Critical Incident" training during orientation each semester. This training is facilitated by an off-duty Henrico County Officer. Topics covered during the training include, active shooter, active assault, edged weapons, explosions/fire, suicide, domestic issues, Title IX, Clery Act, Violence against Women Act, The Campus Sexual Violence Elimination Act, and Substance Abuse Prevention.

Twice a year in September and February, employees are provided with training on safety and security through the Campus Forum. Topics covered during the September training – which is facilitated by a former military police and FBI agent - include active shooter, fire disaster, lockdown, weather disaster, hazardous spill/leak, abduction, bomb threat, and criminal violence and hostage. In February, employees are provided with Title IX training, which is led during the monthly Campus Forum by a legal counsel who advises the College on higher education issues. All BSMCON employees are required to attend both of the above safety and security training sessions.

Sexual Misconduct

It is BSMCON's policy to address behavior that may violate Title IX of the Education Amendments of 1972; provisions of the Violence against Women Reauthorization Act of 2013; and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The Student Sexual Misconduct policy (ADM 9.06) outlines the procedures established to address and report complaints of sexual misconduct and sex- and gender-based discrimination by students toward students, employees, or non-employees. The full text of the

policy may be accessed on the BSMCON's policies webpage available at
https://www.bsmcon.edu/college-catalog-policies.

The College encourages students to report sexual assault promptly to local law enforcement agencies. The College also urges any person with knowledge of an incident of prohibited conduct to report the incident immediately to the College through contacting the College's Title IX Coordinator or any administrator by email, telephone, or during regular office hours. All college administrators are required by law to file an official report. The College's Title IX Coordinator is:

Leslie Winston - Dean of Student Services and Title IX Coordinator titleIXcoordinator@bshsi.org

Registered Sex Offender

The Campus Sex Crimes Prevention Act (CSCPA) requires institutions of higher education to advise the campus community where to obtain law enforcement agency information provided by the State concerning registered sex offenders. CSCPA mandates that any registered sex offender provide notice, as required under State law, to any institution of higher education in that state at which the person is employed, carries on a vocation, volunteers services or is a student. States must advise registrants of these requirements and establish procedures to follow. States also must notify the institutions where a registered sex offender is employed, carries on a vocation, volunteers services or is a student.

The Commonwealth of Virginia State Police maintains a publicly available registry of information regarding possessors of child pornography, sex offenders, violent sex offenders and persons convicted of murdering a minor child. The registry information includes the offender's name; all aliases that he/she has used or under which he may have been known; the date and locality of the conviction and a brief description of the offense; his/her date of birth, current address and photograph; and such other information as the State Police may from time to time determine is necessary for public safety. This updated information is routinely checked via the campus student, staff and vendor databases. The web site address for obtaining information in the Commonwealth of Virginia is:
http://sex-offender.vsp.virginia.gov/sor/. The National Sex Offender Registry Web site maintained by the U.S. Department of Justice is found at http://www.nsopr.gov/ . ADM 9.07 Registered Sex Offender policy covers the College's policies related to this topic.
