

Complete the following steps for the Traditional Bachelor of Science in nursing application essay requirement.

- Answer **TWO** of the following three reflection statements
- Limit your response to 500 words for each reflection statement
- Include each reflection statement at the beginning of your response
- Prepare your essay in Microsoft Word or notepad before beginning the online application – you should be ready to “cut and paste” your essay into the online application.

Reflection Statement 1:

Obtaining a college degree requires persistence and the ability to stay focused on the end result. Share with us a long-term goal, the process you used to obtain that goal, and how you overcame any obstacles that you encountered. This goal could be academic, personal, or extracurricular in nature.

Reflection Statement 2:

Describe how your personal strengths, experiences, and aptitude will contribute to your success in nursing school and your career in nursing.

Reflection Statement 3:

Each of us possesses unique skills, attributes and experiences. Describe how a person or experience impacted your development and the unique perspective, view and/or attitude you bring to the college.
