The RN-BSN program is an online post-licensure program for the registered nurse who has a valid, unencumbered license to practice nursing in the United States.

The program consists of a total of 120 credits and is designed to meet the needs of a working professional.

Our flexible curriculum options are tailored to students' busy lives. Students can choose to complete the program in as few as three semesters or take longer if needed, taking one course at a time.

Bon Secours Memorial College of Nursing enrolls RN-BSN students three times a year.

### Application Deadlines are:
